

WHY I ♥

I ♥ Tokyo for many
reasons; the parks, the
streets, the food...

...but mainly, I ♥ Tokyo
for the

Irregular Rhythm Asylum.

すごい
ごすね!

Everyone I met
there was so friendly
and kind.

They showed me where
to find good vegan
food...

They told me about demos
and cool events.

...and they spoke to 
me in English, and were
kind about my broken
 Jenglish! 😊
